

## Social Impact Incentives

### Instructions:

Thank you for your interest in the Social Impact Incentives application! The following application is for impact enterprises. It consists of 4 short sections. We expect that it will take you around 1 hour to fill out completely. Do try to dedicate the necessary time to this process. You can find a copy of the questions here on the B-Briddhi: Scaling Impact Enterprises of Bangladesh programme website; it may be helpful to fill out your answers there first and then copy them into the online form. You must fill out this form in one sitting - progress will not be saved if you leave the page. If you encounter problems or have questions, please email [info@sie-b.org](mailto:info@sie-b.org) or consult our FAQ.

### Eligibility Criteria:

Please read the following statements and check whether they apply to you.

1. We are legally registered in Bangladesh
2. Please upload your registration here.

20. We would like to understand how you generate income. Can you please describe for us:
- a. Your business model, including the products and/or services that you offer...
  - b. ...who pays you for your product and/or service...
  - c. ...and who you are the end users?
21. In order to better understand your business model, please indicate what percentage of your income comes from grants or donations. For example, if your business gets 80% of its income from grants or donations, write 80%.

22. How did your organisation grow in the last 2 – 3 years? How are you planning to grow in the next 3 – 5 years? Please include information on how you plan to achieve financial sustainability in the mid-term.
23. What were your revenues and costs (in USD) in 2018 and 2019:
- Revenues 2019
  - Costs 2019
  - Revenues 2018
  - Costs 2018
24. Are you planning to raise repayable investment (e.g. loans, equity) in 2020?
- No, we have never raised investment before and we are not planning to in the future.
  - No, we have already raised investment and for now don't plan to undertake any follow-on rounds.
  - Yes, and this is our first time raising investment.
  - Yes, and we already have experience raising investment.
25. Please tell us how much you are planning to raise or have already raised in USD equivalent, as well as what type of investment you are raising
- Amount:
  - Type:
26. How do you plan to use this investment? For example, you might spend 40% of it on marketing, 20% for staff growth, and a further 30% on inventory.
27. Have you already been in contact with investors? What kind of feedback have they shared? How have you incorporated this (or not)?
28. We would like to know how your business has been affected by coronavirus
- How much would you estimate your revenues will change because of coronavirus in 2020? If you haven't already done a thorough analysis, please provide an educated guess.
  - How, if at all, will you shift your strategy or your target customers? For example, maybe you think it will be necessary to focus on higher income clients to stay in business.
  - How are you considering shifting your operations to address the coronavirus crisis? In other words, how will you use your company's assets to address issues caused by the coronavirus?
29. Is there anything else you would like to share with us?

### Impact Tracking:

We will now ask you some questions about how you measure and manage the impact of your work.

30. What do you already do to measure impact? How would you describe it to others?
31. Do you use any KPIs for impact measurement and management, specifically of your social and environmental results? If so, please list them below here:
  - a. (enter up to five)
