

Voucher Scheme Impact Enterprise and Partner Service Provider Joint Application

Instructions:

The following application is targeted at impact enterprises applying jointly on behalf of themselves and an approved and eligible service provider (an incubator who completed the Train-The-Trainer programme, and subsequently passed the Theoretical Exam and Trainers Assessment). These questions will help us get to know your enterprise better and also understand what the content and outcomes of the programme you undertake with your partner service provider will be.

We expect it to take you around 1 hour to fill out completely once you have settled on a training plan and filled out the IR Roadmap (if you are applying for IR services). Do try to dedicate the necessary time to this process. It will provide us with valuable information about your organisation. It will also provide us with an opportunity to better understand how we can best support you.

You can find a copy of the questions here on the B-Briddhi: Scaling Impact Enterprises of Bangladesh programme website; it may be helpful to fill out your answers there first and then copy them into the online form. You must fill out this form in one sitting - progress will not be saved if you leave the page. If you encounter problems or have questions, please email info@sie-b.org or consult our FAQ.

If you are applying for the Investment Readiness programme, please now take the time to fill out the Investment Readiness Roadmap. Make sure to use the same name and email as you did for this application, otherwise it will not be marked as complete in our registry!
